Project Proposal

**100,000
BIBLES
for
RUSSIA**

OPPORTUNITY

Since 2003 GCM Ministries, with their partner ministry IRR-TV, have completed over 40 mega city campaigns in Russia and Central Asia. Hundreds of thousands of specially tailored high-power campaign books were printed, to be used as a tool of evangelism, and distributed during the campaigns.

From 2013 to 2015, a total of 4 million copies have been printed and distributed by thousands of local missionaries continuing follow-up ministry from previous mega city campaigns. Pastors report that millions of people have prayed the prayer of salvation.

Now, these people need to receive the complete Word of God as hundreds of new churches have been planted as a result of this ongoing outreach. These new Christians do not have access to a Bible, especially in the remote villages and towns across Russia where this effective outreach is currently taking place.

THE PLAN

To print and deliver 100,000 Bibles in 2017 to as many newly planted churches in Russia, to help nourish new Christian's spiritual hunger. The time-line is as soon as possible to get the Word of God into their hands so they can start reading and learning from it!

STRATEGY AND THE CHALLENGE

The Bibles are printed in Siberia, where costs are significantly less than in the West. They are then transported to hub cities throughout Russia and then distributed to a comprehensive network of thousands of churches surrounding these hubs.

Since 2013 volunteers from these churches have continued to meet with people one-on-one and have already distributed 4 million plus evangelistic books and 400,000 copies of the Gospel of John. This army of missions-minded volunteers is ready to go out and meet these people with Bible in hand to give to the people so they can grow in the Lord.

YOUR INVESTMENT

For \$3,000 you could invest into 1,000 Bibles that would help spiritually bless at least 1,000 souls with the Word of God.

\$6,000 would purchase and distribute 2,000 Bibles that would help spiritually bless at least 2,000 souls with the Word of God.

\$30,000 would purchase and distribute 10,000 Bibles that would help spiritually bless at least 10,000 souls with the Word of God.

\$90,000 would purchase and distribute 30,000 Bibles that would help spiritually bless at least 30,000 souls with the Word of God.

COST OF PROJECT

\$300,000

Total costs to print and distribute 100,000 Bibles.

1. Overall costs:
 - a.) Book printing 80% of the cost
 - b.) Transportation costs 15% of the cost
 - c.) Logistics/administration 5% of the cost

The cost to deliver each Bible to a new church, to help the new Christians grow in their faith, is about \$3.

Volunteers from local churches delivered 4 million campaign books since 2013. Now they are delivering Bibles to newly planted churches and cell groups.

Thousands of volunteers from local churches throughout Russia are delivering the Bibles.
