## FUTURE VISION

There are 450 cities the population of which is over 1 million.  
 Jesus said: Go ye into all the world and preach the Gospel to every Creature.  
 For the first time in history over 50% of the world's "Creatures" live in cities.  
 By the year 2020 that figure will be 75%.  
 We need to go to where the people are.  
 Cities are the number one challenge for missions today.
